CAUTION

- TO REDUCE THE RISK OF ELECTRIC SHOCK, DO NOT REMOVE COVER. THERE ARE NO SERVICEABLE PARTS INSIDE
- TO REDUCE THE RISK OF FIRE OR ELECTRIC SHOCK, DO NOT EXPOSE THIS UNIT TO RAIN OR MOISTURE.

The lightning flash with arrow-head symbol within an equilateral triangle is intended to alert the user to the presence of uninsulated “dangerous voltage” within the unit’s enclosure that may be of sufficient magnitude to constitute a risk of electric shock.

The exclamation point within an equilateral triangle is intended to alert the user to the presence of important operating and maintenance (servicing) instructions in the literature accompanying the unit.

IMPORTANT SAFETY INSTRUCTIONS

All of the safety and operating instructions should be read, adhered to and followed before the unit is operated.

SAVE THESE INSTRUCTIONS!
DANGER

To reduce the risk of electric shock, burns, fire or injury:
1. Do not use while bathing or in a shower.
2. Do not place or store unit where it can fall or be pulled into a tub or sink.
3. Do not place in, drop or submerge in water or other liquid.
4. Do not reach for unit that has fallen into water. Unplug it immediately.
5. Care should be taken so that objects do not fall and liquids are not spilled onto the unit.

WARNING

1. Close supervision is necessary when this appliance/product is used by or near children or mentally disabled individuals.
2. Use this unit only for its intended use as described in this manual.
3. Unplug this unit during lightning storms or when unused for long periods of time.
4. Never drop or insert an object into any opening.
5. Protect the adapter cord from being walked on or pinched, particularly at plug outlets, convenience receptacles and the point where it exits the unit.
6. Do not allow adapter cord to touch hot surfaces. Wrap cord loosely around the unit when storing.

7. The unit should be situated away from direct sunlight or heat sources such as radiators, electric heaters, heat registers, stoves, or other units (including amplifiers) that produce heat. Avoid placing on top of stereo equipment that radiates heat.

8. Never block the air openings of the unit with materials such as clothing, plastic bags or papers, or place it on a soft surface such as a bed or couch, where the air openings may be blocked.

9. Do not overload electrical outlet. Use only the power source as indicated.

10. Do not carry this unit by cord or use cord as handle.

11. Never operate this unit if it has a damaged cord or plug, if it is not working properly, or if it has been dropped or damaged, or dropped into water. If the unit’s power supply cord or plug is damaged, do not attempt to fix it yourself.

12. To avoid the risk of electric shock, do not disassemble or attempt to repair the unit. Incorrect repair can cause risk of electric shock or injury to persons when unit is used.

13. Do not operate in the presence of explosive and/or flammable fumes.

14. Never remove the plug from the socket by pulling the power cord.
WARNING!

THIS PRODUCT CONTAINS A RECHARGEABLE BATTERY

- Do not store this product in high temperatures, damp areas, or in direct sunlight.
- Never disassemble the product.
- Never dispose of the product in fire or water, which may result in explosion and/or injury.
- Keep product out of reach of children.
- Do not touch product with damp hands.
- Dispose of the product properly.
- The product must not be discarded with ordinary household waste.
- Contact your local recycling center for proper disposal.
FCC INFORMATION

This device complies with part 15 of the FCC rules. Operation is subject to the following two conditions:

1) This device may not cause harmful interference, and

2) This device must accept any interference received including interference that may cause undesired operation.

WARNING: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user’s authority to operate the equipment. Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This unit generates, uses, and can radiate radio frequency energy and if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try and correct the interference by one or more of the following measures:
• Reorient or relocate the receiving antenna.
• Increase the separation between the equipment and receiver.
• Connect the equipment to an outlet on a circuit different from that to which the receiver is connected.
• Consult the dealer or an experienced radio/TV technician for help.

Shielded cables must be used with this unit to ensure compliance with the Class B FCC limits.
LOCATION OF PARTS AND CONTROLS
1. Lens  
2. Focus wheel  
3. Volume up control  
4. Volume down control  
5. Power switch  
6. System indicator light  
7. Power indicator light  
8. 3.5mm Audio out  
9. HDMI input  
10. Micro USB power port  
11. Reset button

</table>

**NOTE:** Both the Chromecast and the Amazon Fire TV Stick require a power source. The USB power cable that comes with both these units can be plugged into the USB Out port on the projector or can be plugged into a wall outlet with the power adapter.
CHARGING THE BATTERY

1. The built-in battery is charged using the included Micro USB to USB cable. The blue system indicator light will come on if the battery power is getting low.

IMPORTANT: Fully charge the battery before the first use (approximately 3-4 hours).

OPERATING THE PROJECTOR

SETUP

1. The projector can be powered using the included Micro USB to USB cable or the built-in battery.
   
   • To power the projector with the Micro USB to USB cable, connect the Micro USB to the projector’s and plug the other end into a USB port. Once connected, the power indicator light will illuminate red on the projector to show it is connected to power.

   • To power the projector with the built-in battery, simply turn the projector on.
IMPORTANT: Fully charge the battery before first use (approximately 3-4 hours).

2. Connect the included HDMI cable to the HDMI port on the projector and the other end to your device.

NOTE: Some devices may require an adapter to connect to your device.

3. If desired, connect a speaker to the 3.5mm audio out jack. If no external speaker is connected, the projector’s internal speaker will be used for audio.

POWERING UP AND VIEWING MEDIA

1. Power on the projector by flipping the power switch to the on position.

2. Allow the projector 15 to 20 seconds to fully start up and sync with your device.

NOTE: After syncing with the projector you may see your device’s screen being mirrored by the projector. Some devices may not have this ability, but they can still be used with the projector to project videos, photo slide shows, and some app content (this functionality is app dependent).
3. Choose the media you would like to view from the menu on your device and play as you normally would.

**IMAGE ADJUSTMENTS**

**ADJUSTING THE IMAGE SIZE**

To adjust the size of the projected image, simply move the projector farther away from (for a larger image) or move the projector closer (for a smaller image) to the projection surface.

**ADJUSTING THE FOCUS**

Simply roll the focus wheel control forwards and backwards to fine-tune the projected image.

**ADJUSTING THE VOLUME**

Touch the mode control area to activate the volume controls. Use the volume up and volume down control areas to adjust to the preferred volume level.
TROUBLESHOOTING

Q. The projected image is blurry.
A. Adjust the focus wheel on the projector to fine-tune the picture. Also check that the surface you are projecting on is smooth.

Q. The projector is not projecting.
A. Here are several things to check if your projector is not projecting:

- If on battery power, try plugging the projector in with the Micro USB cable.
- If plugged in with the Micro USB cable, check that the Micro USB cable is securely plugged into both the USB power source and the Micro USB port on the projector.
- Check that the HDMI cable is firmly plugged into the HDMI port on the projector and your source device.

**NOTE:** If you are also using an adapter to connect your source device, check with your device manufacturer to ensure you are using the proper adapter for an HDMI video out connection.

- Check that you are using any necessary adapters with your device. If an adapter is required, power down the projector, add the adapter, and then turn the projector back on.
NOTE: If your device does not have the ability to mirror with the projector, you must launch an app with video out support, play a slide show on your device, or play a video on your device to see a projected image.

ONE (1) YEAR LIMITED WARRANTY

Miroir (“Miroir”) warrants to you, the original retail purchaser (“Consumer”), that this product (“Product”) will under normal use operate substantially in accordance with the accompanying documentation for a period of one (1) year from date of original purchase. Consumer’s sole and exclusive remedy, and Miroir’s sole and exclusive responsibility under this warranty will be, at Miroir’s option, either to repair or replace the defective Product during the one (1) year limited warranty period so that it performs substantially in accordance with the accompanying documentation on the date of your initial purchase.

The forgoing warranty is limited and is not applicable to: (i) normal wear and tear; (ii) defects or damage caused by misuse, accident (including without limitation collision, fire and the spillage of food or liquid), neglect, abuse, alteration, unusual stress, modification, improper or unauthorized repair, installation, wiring, or testing, improper storage, use in an unapproved device or if the serial number has been removed; (iii) use not in accordance with the documentation; and (iv) damage caused by the equipment with which the Product is used.

To obtain warranty service for any Product that is subject to the foregoing warranty, Consumer must contact Miroir at info@miroirusa.com, providing proof of purchase from an authorized dealer and a description of the issue. Consumer shall bear the cost of returning the Product for repair or replacement under this limited warranty. Any Product returned without
proof of purchase will not be honored under this limited warranty.

The limited warranty extends only to Consumer and is not assignable or transferable to any subsequent purchaser or user. THE LIMITED WARRANTY SET FORTH ABOVE IS PROVIDED IN LIEU OF ALL OTHER WARRANTIES AND MIROIR HEREBY DISCLAIMS ALL OTHER WARRANTIES OF ANY KIND, WHETHER EXPRESS, IMPLIED, STATUTORY OR OTHERWISE, INCLUDING WITHOUT LIMITATION ANY WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR USE OR PURPOSE, NON-INFRINGEMENT, QUALITY AND TITLE. MIROIR DOES NOT WARRANT THAT THE PRODUCT IS ERROR FREE OR THAT IT WILL FUNCTION WITHOUT INTERRUPTION.

To the extent Miroir may not, as a matter of applicable law, disclaim certain implied warranties, the duration of any such implied warranty shall be limited to the shorter of the one (1) year limited warranty period or the minimum time period permitted under such law. Some states do not allow limitations on the duration of implied warranties, so the above limitation may not apply to you. This limited warranty gives you specific legal rights, and you may also have other rights that vary from state to state.

IN NO EVENT WILL MIROIR BE LIABLE FOR ANY SPECIAL, INDIRECT, INCIDENTAL, PUNITIVE OR CONSEQUENTIAL DAMAGES OF ANY NATURE WHATSOEVER INCLUDING BUT NOT LIMITED TO LOSS OF PROFITS OR REVENUES, LOSS OF DATA, LOSS OF USE OF THE PRODUCT OR ANY ASSOCIATED EQUIPMENT, COST OF ANY REPLACEMENT GOODS OR SUBSTITUTE EQUIPMENT, LOSS OF
USE, CLAIMS OF ANY THIRD PARTIES, OR ANY OTHER DAMAGES ARISING FROM MIROIR’S BREACH OF THIS LIMITED WARRANTY OR THE USE OF THE PRODUCT, REGARDLESS OF THE FORM OF ACTION WHETHER IN CONTRACT, TORT (INCLUDING NEGLIGENCE) OR ANY OTHER LEGAL OR EQUITABLE THEORY, EVEN IF MIROIR HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT WILL MIROIR’S TOTAL CUMULATIVE LIABILITY EXCEED THE PRICE PAID BY CONSUMER FOR THE PRODUCT.

Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. If you have any questions concerning this statement of limited warranty please email Miroir at info@miroirusa.com for any more questions.
Miroir assumes no responsibility for any errors that may appear in this manual. Information contained herein is subject to change without notice.
